# Prophecy of Djwal Khul Master

## Messages 1 of Master D.K.

I am full of Love and you are finding your way.

Tomorrow's world will only be built out of the Love of each person (for his fellow man).

Solidarity. Restoration. Imagination. Courage.

Today, I am present through the writings of Our disciple, SL. who has the gift of hearing Us and of helping Us. Pay attention to all the messages.

They speak the Truth and stress the urgency of the moment.

Love the entire world, the poor, the rich, the good and the less good, then you will be invincible.

You will be the Invincible Light that dissolves the obscurity.

I shall return many times to speak with you.

Maitre D.K., 24/11/2008 ---

There will be many of you crying for help when you become aware of the planetary drama.

But perhaps it will be so late that our Intervention will no longer have the same impact as it would have today.

I repeat; it is NOW, immediately, that good resolutions should be made and applied as much in the realm of world finance as in the domain of ecology.

Tomorrow will be too late if the "house" is already on fire!!

We, the Disciples the servants of Christ, are not there just to put out your fires. We are your allies above all and present among you, and We are awaiting the first sign of collective action from you, to transform the world.

It is an act of Love that is required of all men.

Are you capable of this?

Maitre D.K., 24/11/2008 ---

“ I am contacting you through the “Net” so that you will transmit My Word to all your friends

What I am asking from you is solidarity, action and Love. Every word is important, every expression, every gesture.”

M. D.K., 25/11/2008

“All people on Earth hope for happier days. This is not a dream but a legitimate desire and as such, definitely possible to achieve.

Have confidence and hurry up!! The task will not take long.

It will not be easy, but success awaits you if you are strong-willed, active, and animated by love for Humanity.

We are telling you this and intend to help you.”

M. D.K., 26/11/2008

“We shall guide you in the reestablishment of Divine Justice on Earth.

We will advise you so that the present situation does not repeat itself.

We will teach you so that you may also know happiness.

A single word binds Us to you, and this you should say out loud: LOVE.

Love all life, without exception.

Love, and you will be on Our side.”

M. D.K. 26/11/2008

“There will be no Apocalypse.  
There will be no Noah’s Ark.  
It is sufficient to unite so as to combat injustice in the world.  
Together you will accomplish great things and will be invincible.  
Love one another  
Unite  
And We will lend you a strong hand.”

M. D.K. 26/11/2008

“Do not stay isolated.  
Knock on the doors of your friends,  
Then on all doors  
That universal justice may reign  
On earth,  
Learn to serve the Truth.  
Learn to serve Humanity with Love.”

M. D.K., 26/11/2008

“You should reform all systems that do not function according to the “Veritable Justice”.  
You are responsible for the Present and for the Future.  
Help will come once you have shown courage, Love, strength of character, and  
responsibility.”

M. D.K., 26/11/2008

Work night and day to restore the Law of Love on Earth. The moment is crucial, it is also  
extremely positive since you will defeat definitively the forces that hang on to the Past.

“The doors to Evil will be sealed forever.”

3 x 9 months = 27 months will be accorded you.

M. D. K., 28/11/2008

What you will do for Humanity, others are already doing without saying anything. Look about you. You are not the only one who wants to change the current state of affairs. Soon the streets will be filled with crowds (of them) and you will learn to unite all Men through Love.

M. D.K., 28/11/2008

The clouds will disappear rapidly, so keep the door open to welcome the new wind that is blowing.

I shall appear amongst you with the Hierarchy. All the Disciples will be present. All questions will be answered and Peace will reign on Earth.

M. D.K., 28/11/2008

Do you really need all these objects around you?

Clean out your house and rest a while.

The calm simplicity of the place will open your spirit and your thoughts will flourish.

It is here that you will think of Us with Love,

Once peace surrounds you, you will hear the voice of your heart.

Look for silence to hear what your heart is telling you.

M. D.K., 29/11/2008

## Message 2 of Master D.K., 6/2/2009.

We are now bathed in Divine recognition.  
It is by the intermediary of S.L. that I make contact with you.  
Having already given numerous Books of Instruction to Humanity,  
I emphasize the continuity of Our Presence next to you.  
There is a reason for this:  
You are offspring of the Divine and you need to discover your roots.  
Our disciple is linked to Us through her family.  
To recognize your Divine origins, is to understand the Organization of the Infinite.  
The Earth has a long forgotten Ultimate Purpose, which is  
To transform into a Sacred Planet  
And you will be participants in the transformation.  
So, starting now, you should put  
The Divine Principles into practise, everywhere you can in the world.  
The beginnings will be difficult, but in less than 3 years  
You will be able to change the world.  
Generate the energy of change everywhere you are.  
We will come to your aid  
When you have manifested this desire.  
Our help is indispensable,  
Our help is Divine,  
And, as such it is eternal.  
What We give, is given for eternity.  
I shall return one more time  
to announce that the transformation is already happening.  
Afterwards, if you have not modified your habits,  
If you have not put Love into every thought and action,  
If you have neither the courage nor the will to make a better world,  
We will be unable to intervene,  
And the Earth will be left to its own devices, in unending destruction,  
Evil will occupy the world and you will suffer many woes.  
I warn you before it is too late:

You cannot make up for lost time.  
On reading these words, open your heart and unite  
So that the future of the Earth be preserved.  
Your descendants will be grateful (for what you have done)  
And the Children of the World will assemble  
To continue that which you have re-established.  
Beauty, Truth, and Love on Earth.  
It is in partnership with Us, that you will succeed.  
Recognise Our Divine Presence  
And We will help you.  
Love is the driving force behind the change.  
The energy of Love heals all ills.  
Reconcile all relations,  
This is the first Law of the Universe.  
The Law of Love is the only Energy capable of transforming the world.  
It comes from God,  
It is omni-present.  
All human beings have a spark of Love at the bottom of their hearts.  
No one remains indifferent to the Energy of Love.  
Sooner or later a reciprocal grain of Love springs up.  
It is your cry of Love that we are waiting for.  
Read the first messages again and act.  
I shall return only one more time to inform you  
The hour of change has come.

### **Message 3 of Master D.K., 11/3/2009**

The messages are coming to an end.  
Now is the time to choose between participating in saving the Earth  
Or suffering.  
In My first messages, I give a limit of time:  $3 \times 9 = 27$  months.  
There remain 23 months to launch the transformation

Each day lost augments the quantity of effort necessary.  
If there is no collective movement  
To restore Justice and equity on Earth in 2009,  
The number of natural cataclysms will multiply.  
You already know what sufferings they engender.  
We are giving you the means to change the world  
We are reaching out to you  
And YOU, have you not yet realised what you must do?  
Read the Book of Master Jesus on the Net,  
The book that Our disciple SL has written through His intercession.  
You will learn much  
And it will give you the force to change the world.  
There is not a moment to lose.  
As it is decreed in all Faiths,  
We will show Ourselves at the End of Time.  
This is not calculated in centuries but in millenniums.  
If you listen to Us  
A happy life is promised to Humanity  
If you accept, out of Love,  
To restore all that is beautiful on Earth.  
Equal Justice for all  
According to the law of Love, omnipresent throughout the Universe.  
Through the action of responsible adults, children can look forward  
To a Future that is decent and positive.  
You cannot be certain of irreversible success without Our help.  
Acknowledge this, act accordingly  
And we shall supply all the aid necessary  
To re-establish the Divine Principles on Earth.  
Believe in Us, just as we hope in you.  
The well-being of the Earth depends on your recognition  
Of Our Divine Intervention.  
Do Good to those around you  
And We shall prove Our Presence to you.  
Do this without delay.  
Each second is vital.

## Message 4 of Master D.K. 18.04.09

Here is the last of the announced messages  
So that your consciousness is awakened to the urgency of the Times  
and that you turn actively toward the Future.  
You are among the hundreds of Internauts who visit this site each month.  
And are you motivated yet to act?  
Accomplish your duty to Humanity,  
Prepare the Future,  
Offer pleasing prospects to the Earth's Children.  
Be courageous, generous, enthusiast!  
Believe in yourselves, in your capacities to change the world,  
Altogether.  
You are so numerous that you cannot lose.  
Victory is ahead of you because We will be there.  
all the members of the Hierarchy together with Christ.

The world will change because you have opened your heart  
And given without counting.  
The future happiness of Humanity is assured  
Once you make the effort today to UNITE to change the world.  
Yes, it will demand effort and optimism in the Future.  
Yes, it will demand an understanding and acceptance of Divine Aid.  
All this is outlined in the first Volume of Master Jesus  
That I ask you to read without delay  
To be reinforced by His Energy and save the Earth.  
Examples of the courageous who defend a just cause, are not lacking.  
Follow these examples,  
And since you know that We, the Earthly Hierarchy, the Divine Government of the  
Earth,  
Are prepared to use all Our Power to assist you,  
You no longer have an excuse for your inactivity.  
Our Divine Powers are immense and the results of their action, eternal.

Believe in the Divine and you will be saved.  
Have Faith in yourselves, in Us, in the Universe, and in its amazing Natural Laws.  
Act according to the Law of Love,

Thus paving the way for a glorious future of the Earth.

Rejoice!

We will always be there beside you,

As Our Beloved Lord, Our Eternal Guide, has announced.

Submerge yourselves in Love,

The New Era is awakening.

It is NOW that you must decide!

The year 2009 is of utmost importance.

I speak of Victory because I believe in you and in the speed with which you will build

The New Era with courage and Love.

# Prophecy of Venetian Master

## Messages 1 of Master Venetian

The science of the Infinite will awaken perspectives of extraordinary comprehension concerning everything to do with Energies. As quickly as possible orient your research in this direction to accept the evidence of Our Presence on earth.

We are not extra-terrestrial beings, but Disciples of Christ, the God in whom all religions hope. Now is the time to open your eyes to the reality of the situation.

Without us, you cannot save the earth.

Recognise Our Presence and We will help you.

Master Venetian, Message 1, 23/11/2008-----

At this moment, there is one disciple who receives Our messages. This is a sincere disciple who will diffuse Our messages to all the major newspapers, first in French, and then in other languages. We are fortunate to communicate to you through this disciple whom you will soon meet.

Read these messages.

Master Venetian, Message 2, 23/11/2008-----

I do not want you to imagine that We are here to frighten you. No. We are here only to announce that which is evident and inevitable. There will be more and more of Us to announce it. Prepare yourself to combat for the Good of the world, exclusively the Good. You will be confronted with the clear choice between: death or life, black or white. There will be no turning back.

Now you know

.

Master Venetian, Message 3, 23/11/2008-----

How is it possible that you know, and do nothing?

It will be in great numbers that you will upturn the barriers obstructing the way to the Truth. When the overwhelming flood of Our messages have convinced you to act, when the much anticipated Book will be in the hands of many, you will have the courage, all together, to re-establish an equilibrium in the world. Do not feel abandoned. We shall watch over and guide

you through our intermediaries, men and women already here on earth.

We are watching, but We cannot do in your place, that which you yourselves do not yet deeply and totally desire.

We continue watching, awaiting your call.

Master Venetian, Message 4, 23/11/2008----

The day is near, where you will be obliged to choose: either to advance or to go backwards. I'm not here to preach but rather to put you on your guard. Take Our Messages seriously.

They will not be repeated. All the Hierarchy are mobilizing to warn you of the danger that affronts you if you do nothing. The time space will be several hundred days, not thousands. Remember this and prepare yourselves.

It is not death that awaits you, but the harmonious life that you all desire. However, to achieve this, you must fight, not with weapons, but with all your honesty and Love. An improved life is possible for everyone, for all humanity, for the entire planet.

It is today that you must defend this (vision) and prepare its realisation.

It is today that you must make the decisions, crucial for the Future of the world.

Start moving!

Master Venetian, Message 5 23/11/2008---

When We hear your call above the moans that we hear day and night, and that cause Us to suffer to the very core of Our Being, We will devote ourselves immediately to your Service, to the Service of Good, to the Service of the Earth and of Humanity.

Call Us insistently.

Look for the Signs of Our Presence

And We will come to your aid.

Master Venetian, Message 6, 24/11/2008----

My brothers, everything I have said is what all the Great Disciples of Christ will tell you.

Compare Their teachings, reflect on their meaning,

And try to envisage the world of tomorrow.

Each day, create your own image, the most beautiful, conceivable image of what you think the world should be:

Pleasing to the senses, serene, happy.

In this way you will contribute to the emergence of the New World.

Begin by this (visualisation).

Master Venetian, Message 7, 24/11/2008---

You will plunge into the dark depths of the Earth, and the sufferings will be nameless before equilibrium may be re-established.

Do you wish to suffer more? Do you wish to inflict on the innocent what you, by your own non-implication, have allowed to happen?

Assume the responsibility for your errors and make amends!

Master Venetian, Message 8, 25/11/2008---

Do you know the risks that you run by not doing anything?

You are playing with the lives of those who are powerless because they are badly nourished or without money (or both). By your lack of courage, your heavy legacy to the world will be a sombre future where many will perish.... the impoverished first. You should pay dearly for all feebleness, all useless delay. You have heard!!

Master Venetian, Message 9 25/11/2008-----

I count the days that separate Us from you.  
Soon you will see Us.  
Our promise will be kept.  
And you? Will you have kept YOUR side of the bargain?  
A new world is to be created.  
We will create it together.  
Firstly, clean out your own house  
Including the interior.  
Then We shall come.

Master Venetian, Message 10 26/11/2008---

Do not throw out these messages.  
They are intended for you.  
We are awakening your thoughts, your hearts..  
The Earth suffers, you too.  
The solution is in front of your nose  
Love, Justice, Will Power.

M. Venetian, Message 11 26/11/2008-----

You will come to Us because you will no longer know what to do.  
You will beg for Our help and We will ask you  
« Have you cleaned your house and swept in front of your door? »

We shall be generous with all those who have been actively implicated  
In helping the poor of the world.

M. Venetian. 27/11/2008---

If We make the effort to speak to you, it is because of the gravity of the situation/hour.  
All the Hierarchy are present and active to help you  
Do not let the moment escape you. It will be brief.  
Listen to your inner voice.  
Obey your heart, or the times will be worse than they are today.

M. Venetian. 29/11/2008-----2

What will you do in the storm? Go to help your neighbours?  
Open your door to welcome those who no longer have a home?  
Do not turn a deaf ear to the voice of your heart.  
We who are close to you, know of what your heart is capable.

M. Venetian, 29/11/2008-----3

Place each action like the stone of a pyramid, taking care that no angle exceeds its limit.  
In striving toward Perfection in this manner, we will avoid mistakes and construct a  
solid tomorrow.  
Cultivate solid ties of Love and work together.

M. Venetian, 29/11/2008-----4

We, the Members of the Hierarchy, are helping you indirectly through the Love of Men.  
It is Love, the cement of the pyramid. Love is Our substance of life.  
We are incapable of approaching others, without love in our hearts.

Very soon you will experience this and will work motivated uniquely by Love.  
It is this, the real happiness on Earth.

M. Venetian, 29/11/2008-----5

## **Messages 2 of Master Venetian, 6/2/2009.**

1.

Here We are at the 2nd series of messages  
And nobody is aware of them.  
Do you find this normal, when the future of the Earth is at stake?  
Humanity suffers and will suffer much more  
If nothing is done.  
There not 300 people who are aware (of Our letters).  
Do they diffuse the messages they have received?  
If the media do not care,  
Then those who have received them,  
Must do what is necessary to compensate for the inadequacy of the press.  
Become media yourselves  
And transmit our messages without delay.

2.

Until now, you have not made much effort to understand the Universe.  
You have been very calculating, but you have not bothered to discover what exactly is  
your purpose here on Earth.  
Why?  
You have wasted too much time thinking about yourselves and not enough about  
Humanity.

Today, you are incapable of resolving the problems of the Earth and you are not sufficiently united.

Why do you take so long to move?

Because you have lost hope,

You try to forget the Future, stunned in front of the T.V. drugged with illusions.

Look at the evidence.

Who has the means of changing the world today?

Not one person. In any case, it is by being united against injustice and lies, that you will stop the train of events that is destroying the Planet.

Altogether, united in Love, with but one goal: to change the world for future generations.

Unite and We will support you.

3.

Two months have passed

And no commitment has been made.

It is during this year, 2009 that you should react.

You will find the necessary replies

And the force to act

In the Book of Change that Jesus is dictating to Our disciple.

It will help you save not only yourselves

But also all other life on Earth.

4.

If you follow the cycles of the Universe,

The cosmic rhythms of the days and nights,

The seasons of the Earth,

The phases of the Moon,

You will see that there exists the same Rhythmic Law for everything.

Find rhythm in your thoughts and acts,

Rhythm in your gestures and words of Love

In order to create an echo which will produce repercussions

In all the holes of the Earth

Nourish them with Love

We will be there  
To aid in the everlasting propagation of Love.

5.

When you meet our disciple  
You will receive the energy of Christ's Love.  
This will give you the force to change the world.  
Try to understand the Energies.  
You do not need to see them for them to exist  
And to do their work wherever they pass.  
The Invisible World is greater than the visible world.  
The Invisible World is infinite,  
And its power is infinite.  
What you are able to see is finite, has a limited duration, and no lasting power.  
Know this and turn towards the Divine.  
Raise your eyes and worship.

6.

We return to terrestrial life as many times as is necessary to refine our thoughts until  
they have been purified and filled solely with Love.  
We have lived for this.  
It is to you to elevate the quality of your thoughts.  
It is by accepting to let your heart speak  
That you will be able to reach Us.  
But if you cry "help",  
Without having begun to clean the Earth,  
We will not hear you.  
Wash out the impurities of Man  
Love unconditionally, and We will come to your aid.

7.

Until you have accepted

The Law of Eternity, of Immortality  
You cannot comprehend the Divine  
And will not have the courage to stand united  
With the common goal of preserving the Earth.  
Accept the idea of the Immortality of the soul  
And, after that, read the writings of Master Jesus.  
It is not possible that you remain in ignorance.  
Everything has a Sense, a reason for existence.  
Nothing happens by accident.  
We come to you because We know that you are capable of saving the world.  
And Love is that which is Divine in Us.  
Be guided by Love in your planning and construction,  
And you will win. Master Venetian, 6/2/2009

### **Mess 3 Master Venetian, 11/3/2009**

You cannot wait any longer.  
You have only a few months left to take the necessary decisions  
That will save the Planet and Humanity.  
After there will be so much strife  
That We will no longer able to prevent,  
Even though we love you,  
Because it is ultimately up to you, Humanity,  
To determine you own future.  
Today you have found no viable solution  
Appropriate to the urgency of the Times.  
And you have not heard Us.  
In addition to the messages that we have sent you,  
Our disciple has transmitted to you, on the Net,  
The Book of Master Jesus,  
" Ways of Love to Reconstruct the Future ".  
It will enable you to understand and to decide.  
We shall only repeat Ourselves once.

After that, if you have not applied the Divine Principles,  
The Beautiful, the Good, the Authentic,  
To your daily life and in society,  
In the months to come,  
We will no longer be able to help you.  
It is today and not tomorrow  
That correct decisions must be taken.  
Still nobody knows Our disciple  
And she has knocked at many doors.  
Time is running out.  
If you do nothing  
The Planet will be beyond saving  
And worse sufferings will happen.  
For the sake of your children and for all the children of the Earth,  
For the future,  
Consider the contents of The Book of Master Jesus  
And put into practise its advice.  
WE, Christ, the Teacher of the World and all His Disciples, are all waiting  
For the moment when you call Us.  
We will come and we will be able to help you  
IF you ask Our help this year, 2009  
Motivated by Love.  
We shall come because We love you.

### **Message 4 of Master Venetian 18/4/09**

This is my last message of warning.  
Afterwards, if there is no action,  
You will have to accept the consequences.  
The Planetary situation will worsen  
If you do not follow Our advice.  
It's simple: apply the Divine Principles in all that you do.  
Live according to the laws of Love and Truth.

To have the courage to begin,  
And the impetus to restore Beauty on Earth,  
Will be regarded in Heaven, as a call of Love.  
Then We will come to reinforce you,  
And together We shall conquer the last strongholds of injustice and wickedness.  
The Energies that are now being diffused throughout the Earth, are so powerful  
That once harnessed, they will readily give you,  
What you need to implement the necessary changes.  
This is the reason that We insist on your participation.  
It is during THIS year 2009, and no other, that all must be decided.  
We are talking about a collective decision to implement change  
Expressing the Law of Love in the Driving Force behind the change.  
Already, outside, crowds are gathering.  
Don't wait for there to be greater turmoil before reacting.  
You do not know to what extent the suffering will increase.  
However, you are perfectly aware that something must be done.  
Unite and prepare the Future of the Earth with courage and Love,  
And We shall be with you to aid in the transformation.  
Don't remain isolated.  
Unite!  
You will find in "Ways of Love",  
A renewed Faith in the future of Humanity,  
United with all the Masters, by Love for the Earth.  
Love and act!  
The Earth is in a critical condition and Humanity is going to suffer so much  
That you cannot remain disinterested.  
Today, it is still possible to heal the Earth  
And better the life of Humanity.  
This is why We are here to warn you.  
Do not miss this opportunity to save the world and the heritage of future generations.  
Create a beautiful image of a better world and do everything in your power to realise it.  
You can count on Our help.  
Love and construct!  
Place the first brick of the new house  
And We shall be there to help you build the new Paradise.

# Prophecy of Serapes Master

## Messages 1 of Master Serapes

“The circumstances, causing much debate on Earth, are reactions to New Cosmic Energies flowing relentlessly throughout our planet. These Energies either provoke excessive behaviour in Man, or favour his elevation, if he is ready. We should not underestimate this rhythmic cosmic inflow programmed according to a fixed calendar that We consult regularly, We who are the Guardians of the Plan on Earth. There is no point in being alarmed by these effects, but rather by the capacity of Men to bounce back, to respond positively to the new conditions of evolution. Are they ready? Apparently... it is not easy to realise... apparently only. We will have plenty of time to witness this in the events soon to come. Your attention and your contribution to the improvement of all existence are crucial in halting without delay, the machine of materialism. You will notice that some choices have been possible, but they have not been recognised or accepted, and, at this point, it is not grievances that need to be dug out of pockets, but URGENT SOLUTIONS that the Earth demands. Your consciousness has been considerably extended by your indefectible link with the whole of Humanity, by your association with life on Earth, by your beginning of understanding of the invisible world. It is this (last) that you must develop as quickly as possible to enable you to overpower the forces that combat the Presence of Christ.

Pay attention to my writing.

With you”

M. Serapis, Message 1, 19/11/2008-----

“I am calling My Disciples in order to communicate to you news of specific importance today: the world is ready to welcome Our Great Lord Jesus Christ, and yet, the media do not seem enthusiastic to transmit the messages that we wish diffused. Why?

I am speaking to all of you, so that you transmit this Great News. Christ is waiting that you be better informed before He manifests Himself anew.

Drop your blockage of incomprehension and of doubt, and open the door to Our Lord, the Christ.

For Humanity”

M. Serapis, 20/11/2008-----

I, Maître Serapis of the 4<sup>th</sup>Energy, establish communication with you, My fellow citizens of the Earth, to urge you to become aware of your capacity to halt the coming disaster...as quickly as possible.

You are capable of discernment and Love, of altruism and of Determination (Will Power).

Do the necessary quickly to stop the race toward the “dead end”.

Climb the ladder and you will be saved.

Climb, my sisters, my brothers, by thousands, by millions,

We shall cover the horizon with ladders for all,

for the whole Human Race.

M. Serapis, 22/11/2008-----

I approach you so that in the year 2009, you will have committed yourselves to the cause of expressing the Beautiful, the Good, and the Authentic on earth.

I approach you so that you roll up your sleeves and enter the Battle for the Good. This will be the last Battle before Peace reigns forever on Earth. This Battle will be fought to the advantage of those who follow their Hearts, and those who have not opened their hearts will be defeated.

All the others will win by Love.

Read! Act! Love!

M. Serapis, 23/11/2008-----

Days and nights follow one another and you still have not done the necessary (ground work) so that We might come to your aid practically.

Use "The Grand Invocation"; call Us from the depths of your heart each day, each hour, each minute and you will be saved.

It is as vital for your own private life as for the life of every Human Being on the Planet.

It is vital for future generations.

Your action is of prime importance.

To reject Our Aide is to condemn yourselves, you and the hundreds of generations after you.

You do not have the right to do that.

Unite by Love for the entire World,

For all Humanity, and for the place where We all live, the Earth.

There is no longer time for disputes only for a sacred union to survive,

Then REVIVE

And live a New World

Whose indescribable Beauty will fill you with joy.

M. Serapis, 24/11/2008-----

In the World there are billions of unfortunate people, yes billions!! And you, who have the chance to be where you are, do not have time to dedicate to the billions of starving, homeless, and the billions of children who suffer.

And you think you have a heart?

Well I can see that your hearts are about as large as pea!

Now that you know this, you can no longer sit comfortably in front of the television, in your slippers.

You must enlarge your heart to touch the Good, live from Reality.

The world needs you, your new ideas, your generous collaboration and your capacity to find solutions to the current difficulties.

By acting, your heart will swell with Love and you will spread Love throughout the World.

Remember my Words.

M.Serapis, 24/11/2008-----

Why are you still asking yourselves questions?  
There is no longer time to avoid telling the truth.  
Action is what counts now.  
Hurry up and take the right decisions that impose themselves.  
The World is about to collapse through the fault of you all.  
There is not one of you who is without blame,  
You are all concerned.  
Acknowledge this and commit yourselves to the cause of saving the World.

Our participation will depend on the Beauty of your actions and thoughts.  
Both are visible to Us.  
We shall come to your aid when the purity of your thoughts attract us to your bed side.

M. Serapis, 24/11/2008---

“We can no longer wait and remain silent.  
So We address you to warn you of the danger.  
M.Serapis 25/11/2008----

Messages of Master Serapis, 4<sup>th</sup> Hierarchy,  
“When you read these words, do not throw them out.  
Leave them where they are visible so that may leave their impact on you.  
All Masters in the Hierarchy speak.  
Christ’s Disciples whom you name, also Maïtreya and Imam Madhi.  
M. Serapis, 26/11/2008” ---- 1

“We are taking the time to send you these messages to inform you of the exceptional moment that Humanity and the Earth are traversing...

You will be saved, if you ask insistently and if you take action yourselves.

It is necessary to pave the way for Freedom, initiative and hope.

LOVE is your sword and your shield.

LOVE alone!!

M.Serapis, 26/11/2008” ---2

“I count the days that separate Us from you.

Soon you will see Us.

Our promise will be kept.

And you? Will you have kept YOUR side of the bargain?

A new world is to be created.

We will create it together.

Firstly, clean out your own house

Including the interior.

Afterwards, We shall come.

M. Serapis 26/11/2008” ---3

“All the Beauty of Our Earth is united to the Sun.

Be radiant like the Sun

In your heart,

In your thoughts,

In your acts,

so that the world may be transformed.

M. Serapis 26/11/2008” ---4

“You will be unable to remain immobile.

We will not leave you without defences  
Love is stronger than everything.  
It is why you will win  
And We will be beside you.

M. Serapis 26/11/2008" ---5

"From where We are, We see you.  
We have all already taken on human form.  
We know the pains of Earthly existence  
And We understand you.  
It is out of Love that We warn you  
And We shall come when you call Us.  
Do not delay  
Or the day will have passed.

M. Serapis 26/11/2008"----6

We shall always be with you.  
You have nothing to fear; you need only the courage to do what should have been done  
long ago. It is your duty to pass on to your descendants, and to all descendants of  
Humanity, an Earth that is clean and beautiful, and a civilisation of Love and Peace.  
Do this for the Children to come.

M. Serapis, 29/11/2008---1

The world is changing. It is transforming amazingly. You do not see it yet, but We who  
are near you, notice it. All thoughts illuminate the Earth. Enlarge your thoughts of Love  
and Man will finally be happy.

M. Serapis 29/11/2008 ---2

You can call Us and We will reply to you.

Establish a dialogue of Love with others and with Us,

And everything on Earth will be transformed.

Show your Happiness to all and this will help them fight for a world more Beautiful and more Sincere, a world where Children will be heard.

M.Serapis 29/11/2008 ---3

Science teaches us much, but the Beauty of the Earth and the Heavens help us enter into the Science of Life.

All is Harmony, Beauty and Organisation in the Cosmos.

To search for that which is beautiful is an act of Love for everyone.

Look for and share what is Beautiful in your environment and at home.

It is through Beauty that hearts relax and open like the buds of flowers.

Put Beauty in your life.

M. Serapis 29/11/2008 ---4

We shall drink water from the pure springs that you will have rediscovered.

We will work in collaboration with you so that the much hoped for New Era becomes a reality.

The invisible world is Beauty, Harmony, and pure Love.

Speak with love

And We shall hear you.

M. Serapis 29/11/2008 --5

How will We come to help you?

On the wings of Love,

When you do an act of generosity, without egocentric ulterior motives;

When you pronounce Our Names, the Name of your Divinity,  
With respect and Love.  
Rest assured of Our Love  
And of Our participation in the realisation of the New World which will rise out of your  
hands.  
Pronounce the Name of Christ with Love and We will come.

M. Serapis, 30/11/2008---6

We are not impatient.  
We know  
We know that victory is possible if you listen to Us.

M. Serapis, 30/11/2008 ---7

“We will come because it will be the moment to change.  
We will come because you will have called Us.  
We will come because you will have listened to Our words.

I ask you to act.  
I ask you to stand up  
To become unified  
Motivated by Love.  
It is this union by Love that you must achieve.

It is now  
that you should unite and love one another

M. Serapis,

18/12/2008, translated into English by J.D.W.

## Messages 2 of M. Serapis,5/2/2009

1.

Our messages are to last a short time only.

You must put them into practise without delay.

However, you have not yet acknowledged them.

How do you expect to be helped if the messages do not reach a wide public?

I ask all those who have access to Our messages to diffuse them as widely as possible.

To this day the media has turned a deaf ear.

Time passes,

And it is just a tiny handful of people who have recognised them.

Create a solid chain and transmit them wherever you can. Let yourself be guided by your inner voice.

Thus the world will know what awaits it and will be able to react in time.

Do this for the Earth, for Humanity, for the Youth of the Future!

The Messages speak to your heart.

Listen to them !

2.

Jesus lived 2000 years ago.

Like Him, Our disciple speaks the Word of Christ.

Learn to accept the Divine.

Do not be blind to Reality.

Divine aid will come to you through Our messages, when they are heard, understood and applied.

There is no alternative.

Already 60 days have passed.

Realise that We are here to help you.

Everything you do, do out of Love,

Guided by Divine Justice.

3.

If you wait until you are desperate,  
Perhaps it will be too late.  
Today there is still hope,  
The powerful hope to live happier lives.  
Are you not convinced?  
But there is not a second to lose...  
Go for it!! You have everything to gain.  
Joy, Harmony and Peace in the world.

4.

We will return a third time to warn you  
But after that, you must call Us.  
Our disciple is doing her utmost to inform you.  
These messages are being translated  
So that the entire world learns what is about to happen to the Earth.  
Your duty is to diffuse them in every possible way.  
Christ has sent His Messenger in direct connection with Jesus.  
It is through her that you will know in what direction the world is going.  
Try to meet her.  
Christ's Energy, working through this disciple will be useful in saving the world.

5.

The aid that We will be able to give you, is considerable.  
Without it, without Us, all members of the Hierarchy combined,  
You are incapable of triumphing over the existing system.  
If you do nothing, the money will disappear,  
Illnesses will multiply, and there will be an increasing shortage of water and food.  
You do not have the right to remain apathetic,  
since there is a way of triumphing and of saving Mankind.  
Open your heart,  
Give a hand to your brothers,  
Love the world in its entirety,

And we will be at your side.

6.

The world is degenerating because it is governed by egocentric powers.

It is this that needs to be changed.

The Divine is eternal.

Our Aid will always be there,

And egocentric powers will disappear.

Open your heart and give,

And this will enable Us to banish injustice from the Earth.

Love Us, love yourselves,

Love the whole world.

7.

Look at what the Earth is becoming.

The situation cannot continue in the way it is. You know this.

What do you propose as a solution?

You do not have any!

Why then do you refuse Our outstretched hand?

Have you thought about your children?

Today, you no longer have the choice.

Accept the help that

We are offering you out of Love.

Begin by opening your heart

And We shall come to help you.

Call Us from the bottom of your heart

And We will hear you.

Our reply will be immediate.

8. Received 8/2/2009.

We will all be present once you accept to unite, and to take responsibility for the Destiny of the Earth. Do not wait for the multinationals to dictate what you should do. As representatives of Humanity, YOU (people, crowds, citizens) should give the example and make yourselves heard. It is neither a question of anarchy nor of violence but of organising the outcome together, solidly unified. Your force will be in your unity. The Beauty of your commitment will seduce the most sceptical.

Be confident!

The Hierarchy, Christ and all His Disciples will soon be among you.

Prepare the way, and We will come.

### **Message 3 of Master Serapes 11/3/2009**

Why, despite all the efforts of Our disciple

No one is acting?

Don't you see that Humanity is suffering more and more†?

Don't you see that the Earth is suffering more and more†?

What are your proposals for changing the world†?

You do not have any.

Words are not sufficient

Action is needed now†!

Action taken by those who have a generous heart and who are responsible.

If you do nothing, Horror will spread throughout the Earth in 3 years time,

And you will no longer be able to hope to redress the damage rapidly.

Today, thanks to the first Book of Master Jesus

That Our disciple is diffusing on the Net,

You are given the means of changing the world.

Do not hesitate.

2009 is the year of fundamental change†;

2010 and 2011†: the application of decisions .

Because you will have already begun to act

We will give Our support

To make the change definitive.

It implies a change of heart

As a result of the application of the Beautiful, the Good , the Authentic  
All of which will transform the world  
Restoring happiness to all the children of the Earth.  
It is a forecast of Paradise  
Which will be known on Earth in a few generations' time.  
Prepare the way for it.  
Offer this possibility to your children.  
Build it.  
Today it's no longer a question of choice  
But of obligation to act  
Out of Love and necessity  
Out of Love and responsibility.  
We, All the Members of the Hierarchy surrounding Christ  
Will be there to help you  
If you prove yourselves to be responsible and filled with Love.  
Do not delay  
And We will come  
When you will have affirmed your acts of Love.  
The coming weeks will be decisive for the future of Humanity.  
We await your call.

### **Message 4 of Master Serapes 18.04.2009**

You cannot deny the possibility of other life in the Universe.  
You cannot deny the extraordinary organisation of the Cosmos.  
You cannot deny the Divine essence in you and in all Humanity.  
However, you have for the most part, forgotten or denied it.  
Today, We are asking you to listen to your heart  
And to have confidence in Us who have higher capacities than you,  
And who come to bring you help.  
Without Our help you are incapable of defeating the forces of egoism and of  
materialism.  
But you can begin the process of healing the Planet

So that We may use Our capacities which are greater than yours -- Our Everlasting Power.

We act out of pure Love, and wherever We work

Eternal Good will be established.

This is how the Earth will be healed through everyone contributing and refusing compromise.

Love, Beauty and Truth: 3 key-words that will impregnate the Planet and all Humanity.

Celebrate the future happiness of the Earth

And work to bring about its fulfilment.

The Time is short.

The Door to the Cosmic Energies favourable to change

Will not remain open for very long.

There will be no second chance.

Seize the opportunity and work motivated by Love.

Decide before this summer, 2009.

Master Serapis, 4th Energy, 18/4/2009

# Prophecy of Hilaron Master

## Messages 1 of Master Hilaron

All communication coming from me will be transmitted by Our disciple SL, who will use this pseudonym for the greater part of 2009. She will clearly explain her connection with Us, with Me, Master Hilarion who sends you My first message today, 23/11/2008. This is the first of many. Be ready to record them as successive and unique lessons of life. Re-copy them so that you become impregnated with their contents and diffuse them. I am counting on you that these messages do not "die". They concern your life on Earth and everything you control and for which you are responsible.

Master Hilarion, 5<sup>th</sup> Hierarchy,  
Message 1, 23/11/2008 ---

How have Men tolerated the intolerable for so long?  
At this point are they stripped of all force, courage and reason?  
It is the moment to make up for lost time by addressing yourselves to Us who have also lived through crises on Earth.  
Get your act together. Let your cry of love be heard. Believe in Us and an Era of Peace will descend on Humanity through Our intercession.

M. Hilarion, 5<sup>th</sup> Hierarchy,  
Message 2 24/11/2008 ---

We will be by your side to change the world, yet it is for you to prove your intentions.  
The path is not traced, although We know some of the Future.

Do not lean on Us, the Hierarchy, the Ensemble of the Disciples of Christ –  
Count on yourselves, and We will come.

M. Hilarion,

Message 3 24/11/2008 ---

“We have 900 days to restore the equilibrium.

The result of your work will be seen later, but you will have renounced bad habits.

It is during a very short time that you must be upright, disciplined and pure of heart.

The Hierarchy is with you.

M.Hilarion 25/11/2008”

“The world conforms to Laws,

These Laws govern the Universe

All of you inhabit the Universe

Interrogate the Firmament

You are not alone.

You are never alone.

Keep confident

And try to understand your purpose on Earth”

M. Hilarion 26.11.08 1

“This is the final test.

We will need you all to reconstruct the world.

Respect the Earth.

Love one another.

Love all living creatures.

Obey the Laws

And We will come.”

M. Hilarion, 26/11/2008 2

The origin of Earthly Laws is to be found in the Laws of the Cosmos. .  
Divine Justice is the Law of Love.  
Without it nothing lasts nor lives.  
Justice should be firmly applied in the world.

M. Hilarion, 26/11/2008 3

“Look within yourselves for the cause of what is happening,  
And eliminate all that is in opposition to the Law of Love.  
You will have cleared the way for Our Presence among you forever.  
Don’t waste time!”

M. Hilarion, 26/11/2008 4

“So many beings suffer and die each day.  
You are aware of this but what are you doing to prevent it?  
Why should We do the work in your place?  
We have done Our bit before you.  
Do that which is urgent and We will second you.”

M. Hilarion, 26/11/2008 5

“What I am telling you is urgent.  
The number of messages will be limited.  
Wake up!  
Unite to face the problems of the world.”

M. Hilarion, 28/11/2008 1

“Do not waste time in futile amusements.  
It is the moment to change the world.”

M.Hilarion, 28/11/2008 2

“Now is the time to understand how the Universe functions, and the Earth within the Universe.

Immerse yourselves in Astronomy.

Do your own research.

Out there, there is much knowledge to be discovered.”

M.Hilarion, 29/11/2008

## **Messages 2 of M. Hilarion, 5th Energy , 7/2/200**

1.

We return for the second time.

In total, We will have warned you three times.

The third time will be close because time is running out

And the urgency of the world situation demands your implication.

Become aware of the Verity of Our messages.

They are destined to help you, Humanity, transform the world and save the Planet.

How?

By replacing all that is archaic and rigid, with a new approach based on respect of the Laws.

It is by Love that you will overcome all obstacles

By Love and solidarity.

It is not by running all over the place that you will succeed.

Problems will be resolved by moving step by step.

There is no lack of problems

Begin with a problem that affects you directly and try to resolve it collectively.

The Hierarchy, with Christ at its centre will be present to help you.

Affirm your respect for the Divine Laws.

The world needs you, and YOU need US.

2.

You cannot hope for an amelioration of the conditions of life,

If your personal contribution is nothing.

One receives what one gives.

Become committed to the Renaissance of the world.

Change all that is no longer useful and stops progress.

A new life is to be built.

Invent new ways of acting.

Nothing will be as it was before,

The entire world will be transformed

Because you apply (the Divine Laws): Beauty, Good and Truth.

3.

No detail will be overlooked

I am appealing to your intelligence and to your capacity to Love.

Love all life on earth.

Cherish the coming generations destined to become the saviours of the world,

Because they will continue what you have commenced.

Do this together with Love, now.

Visualise the Beauty of the world

And images of the Future will unfold before your eyes.

4.

Prepare yourselves.

In a very short while, it will be too late.

Right now you must pave the way for a change of energy.  
You have waited long enough.  
It is the moment to restore the Divine Principles.  
You cannot just alter one part of the world.  
The whole of Humanity is concerned, as well as all life on the Planet.  
All systems will be touched.  
Money will no longer serve the rich.  
Money will circulate freely on the Earth.  
Poverty will disappear  
Because resources will be better distributed.  
Everything will be reconstructed according to the Laws of the Universe.  
It is for this reason that We will help  
So that Peace reigns on Earth.

5.

The Destiny of the Earth is written in Heaven.  
Be brave! We are here!  
Through the dirty water in the gutter  
And drink water from the springs.  
The good will be more numerous  
And crowds will break down the barriers.  
That which is good will remain;  
The rest will disappear.  
There will be solidarity among you and We will help you.  
No more hate, no more vengeance, no more tears  
Hearts will be receptive to the Divine Principles,  
Hearts in their thousands.  
Today you are ready to unite  
For the Future of Humanity,  
For the well-being of all the children on Earth.

6.

I am not the only one to warn you.  
Time is short, very short.

2009 is the year that the best decisions must be taken.  
After, you will need to act rapidly.  
We are here to help you reinvigorate the Earth.  
It is to you to prove your Will to change the world.  
And We will work beside you forever.

7.

This is a message of hope for Humanity.  
Divine power is at your disposal,  
Do not let it escape you.  
I do not dare to describe what will happen  
If nothing moves.  
The Love that is in you will transform the world  
And We will be with you for all Eternity.

### **Message 3 of Master Hilarion 11/3/2009**

The world has 60 days to recognise the verity of Our messages.  
We are the close associates of Christ, Head of this Planet's invisible Hierarchy,  
And We work under His Direction.  
We announce the Truth.  
Yes, there will be catastrophies if nothing is done  
Yes you must hurry  
Yes this year 2009 is the year that good resolutions must be made  
And applied without delay.  
Yes, there remains barely 2 years before your efforts to initiate change become evident  
To Us who are always watching.  
Yes We will help you at that moment  
And Justice will reign on Earth.  
From now on, work to bring about change.  
This will imply much labour

But we will not leave you unsupported.  
From now on, defend the Divine Principles  
And We will soon be among you  
Christ and all the Great Disciples.  
Unite!  
Open your hearts  
And We will be with you.  
The Book 1 of Master Jesus by Our disciple SL, is now available on the Internet.  
It is your guideline as to how to act.  
Read it. Re-read it and react!

### **Message 4 of Master Hilaron 18.04.2009**

Since November 2008, We, the Masters close to Christ, Lord of all Religions,  
Have transmitted more than 100 messages,  
Warning you of the Future of the Earth  
Urging you to install the Divine Principles on Earth.  
The Earth trembles, Man suffers, he panics,  
Money is becoming scarce.  
And you? What have you decided?  
Have you realised that it is by acting together than you will save the Planet?  
Together with Our assistance,  
Your victory will be assured.  
I speak of the Victory of Beauty in all things  
And of an ever-present Verity.  
This is the birth of a new era.  
However, you must first affirm yourselves,  
Then We will help you.  
I speak of weeks and not of months.  
It is NOW that the decision to create a better world for all must be taken,  
Before the summer of 2009.  
Then, you will act!  
And We will contribute to your happiness.

The Book "Ways of Love", now available on the Internet,  
Will supply you with the answers to the many questions  
That you are asking.  
And you will be able to find the necessary energy to provoke the change.  
It will be useful to read the Book 3 times  
So that you may bathe in the Divine Love of the Hierarchy  
And be nourished by it.  
We are waiting to see your first acts of Love  
Before We work at your side.

# Prophecy of St German Master

## Messages 1 of Master St German

Today, we are faced with the biggest dilemma that has ever confronted Humanity. You will need to be united as closely as the fingers of the same hand, in order to reorganise the world in a very short time span. We, who are omnipresent, are prepared to help you greatly. However, it is primordial that you commit yourselves totally to the new renaissance, necessary not only for the survival of the planet, but also for your own personal evolution. All the great Disciples of Christ are available to sustain the impetus as Humanity attempts to extract itself from the current crisis. The moment is propitious. It will not present itself again. Prepare to give the best of yourselves for the sake of ALL life on earth.

I remain beside you, together with Jesus Christ, the Lord of Lords, and His great Disciples.

Know this and act with love and force.

Master St German, Message 1, 20/11/2008.---

There is no sign today, which indicates how the world is going to resolve the mountain of current difficulties. We know that you, Humanity, should be able to hold the keys to the orchard of everlasting fruits.

But instead of asking Us for the key of the garden, you steal the fruits without even excusing yourself.

We are keeping the keys to hand them directly to you, when you are ready to care for the fruit trees for ALL Humanity. You must cross the bridge not one by one, but altogether. Remember you shall cross the bridge altogether and we shall be waiting.

Mastere St German, message 2 21/11/2008. ----

Do you understand the significance of Light?

How do you interpret the phrase “the Light will triumph over the darkness”?

What colours attract you?

Why is the world so complicated?

You have the reply all around you, in your heart, in your head. You just need to search for it. Repeat your questions every day and the answer will come, not from Us exactly, but from within your own soul. Address your most preoccupying questions concerning the future of the world, to the Universe, then listen to your own interior voice, your soul. Do this for several weeks and you will see that I am right.

Have confidence in yourselves!

Master St German, Message 3 23/11/2008. ----

Do you know what is really happening to the Earth?

Do you know that the Earth suffers as much as you?

Do you know that what you leave to the Children of the Earth will be their heritage for the millennium?

Do you know that the Children of the Earth expect that you make a substantial effort so that they may live decently on Earth?

Do you know what they think of your inertia?

Well my dears, they feel more adult than you!

They refuse an archaic system of education and want change!

What are you waiting for before you listen to their demands?

That they become adult prisoners of your past?

Come to your senses!!

They are the Future of the Earth, the guarantee of the Future.

Take care of them, of all the Children of the World.  
They will astonish you with their wisdom and intelligence.

Master St German, Message 4 23/11/2008 ---

The Earth deserves better treatment than that which you have reserved for it lately.  
It is the sanctuary for ALL life on Earth, animal, vegetable and mineral.  
Neglect no form of life.  
All contribute to the Unity of the Earth and its Harmony.

Master St German, Message 5 23/11/2008 ---

Every living thing should be protected.  
Everything that is directly under your control should be preserved with the sole aim of  
maintaining the sacred place, the Earth and the garden that you need to restore for  
future generations.  
The Earth belongs to no one.  
It is your life source.  
To neglect it is beneath the dignity of every human being capable of action.  
Any act that you do to save the ecosystem will save millions of people.  
Do not underestimate your power. It's courage that you lack.  
Unite to act and We will give you the weapons of Light to ensure your victory.  
In Love,  
For Love,  
Out of Love for Human life.

Master St German, Message 6 24/11/2008 ---

It is important that under any circumstance, you may call to Us for the Divine Energy  
that We carry and are able to transmit to you.  
The only condition under which you will receive this Energy is by coming to the rescue  
of Humanity, your heart full of Love, thinking only of how you might help. At this

moment, YES! We shall be your Conveyors of Light. No complicated thinking or egocentricity will be accepted.

Our aid is subject to the Nobility of the Intention, to your Love for all People, for all continents, for all life on Earth.

Learn to love totally.

Master St German 24/11/2008 ---

The day when We will be among you, is eminent. Do not be frightened.

It will be a day of Rejoicing because your Heart will be ready for Our arrival.

Do not be afraid. However, prepare yourselves by cleaning out all that is unsanitary, and by protecting all life on Earth, especially the lives of children.

Combat, love, and pave the way for the radiant Future already emerging out of the storm.

Combat and win, for otherwise, the storm will become increasingly violent.

Combat and hope.

Master St German, 24/11/2008 ---

There will be many occasions for Us to initiate you to the Energies of the Invisible World.

Our disciple will speak of Us to you, shortly. Prepare yourselves to approach us so that soon, you may see the Light of Christ, the Energy of Love that We will give you abundantly.

Commence the process by cleaning out yourselves.

Eliminate all negative thoughts from your head and focus instead on loving others, ALL men on Earth.

NOW.

Master St German, 25/11/2008 ---

“We want you to manifest yourselves, all of you, weak and strong alike, to win back the power from those who monopolise it unjustly. You will manage to achieve this because We will be there to support you solidly. Victory will go to the Just. Know this and rise up!!”

Master St German, 25/11/2008 ---

“Christ’s disciples are here... surrounding you, with you.  
Learn how to recognise them and express your desire to transform the world.  
Respect the Earth at all cost and the world will be a better place to live.  
There are two priorities: the Earth and money.”

M. St Germain, 25/11/2008 ---

“All media is discussing the Global situation.  
They are justified in doing so.  
We support them.  
At present it’s your duty to implicate yourselves by taking care of the Earth.  
There are no half measures.  
You either save the Earth and you will be saved,  
Or you let it perish and you with it.  
This is no longer a choice  
It is an ultimatum.”

Master St German, 26/11/2008 ---

“Everyone will be obliged to participate.  
There will be no one who sits by watching while others do all the work.  
And you will be rewarded in proportion to your effort and the size of your heart.  
True Justice will be the judge,  
Divine Justice in accordance with the Law.”

Master St German, 28/11/2008 ---

“We have sent you Signs and Messengers...you have not heeded them.  
You have not believed.  
At this point, the state of the Earth requires that you change your behaviour.  
It is a total change that is necessary.  
Intervene without delay.”

Master St German, 28/11/2008 ---

“You will be faced with the reality: prevent the destruction of the Earth and live better,  
or be consumed by the pollution and the lust for money.  
One leads to joy  
The other to hell.”

Master St German, 28/11/2008 ---

“You will need time to comprehend.  
We give you 100 days  
After that you must move quickly  
To curtail the enslavement of Men  
To re-establish Justice on Earth.”

M St German, 28/11/2008 ---

“You are going to ask yourselves  
‘Will we know how to act when the time is ripe?’  
Yes, you will know how to accomplish the tasks that will save Humanity  
Because the moment will be well chosen,  
Because We will be near you,  
Because everything fulfilled with Love (as the motivation), is just.”

M St German, 29/11/2008 ---

You should not fear the Future.  
However prepare yourselves for what is to come.  
You will be proposed solutions through the voices of the disciples  
And We will not abandon you.  
It is no longer a question of destroying, but of reconstructing.  
ALL hands will be necessary,  
All good will.

M St German, 29/11/2008 ---

Do not give way to panic.  
Sufferings are no longer necessary.  
Believe the teachings of your heart,  
Of the New Laws born in the Heart of Humanity.  
You will be drawn to their Beauty  
their Love, and their Justice.  
We will be there to present them to you.

M St German, 29/11/2008 ---

## **Messages 2 of M. St German 5/11/2009**

1  
I have sent you numerous messages  
And only a handful of people have accepted them.  
Are you so insensible to the Truth?  
What must I do for you to believe Me?  
My disciple is knocking on doors  
And you do not wish to hear.  
Your indifference is her cross.

She knows that time is running out;  
She counts the days  
Because she knows what awaits you.  
She is Our messenger and her Joy is to warn you.  
What are you going to do when she will be gone?  
We are communicating through her and you do not acknowledge it.  
How are We going to help you  
If you do not listen to My Word and that of the other Masters, transmitted through her?  
It would be wise to accept the Divine in her, and the Divine in yourselves.  
After this series of messages, there will be another.  
These messages must be circulated throughout the globe.  
Three series.  
This is the second.  
Then the world should stand together and act.

2.

The first messages are instructive  
These, the second group, are encouraging,  
The last will be urgent!

3

Materialist ideas have outgrown their utility.  
The future will see the triumph of spirituality.  
You cannot exclude the Divine from the Earth.  
Inform yourselves.  
Everything is organised by the Divine.  
It is your smugness as materialistic human beings  
That has given you the desire to forget the Reason for Our Existence.  
The most important expression of the Divine on Earth and in the Cosmos is LOVE!!  
The world will change when you manifest more Love in all your relationships.  
You will transform the world because you will have understood  
that there are no half measures with Love.  
You love without calculating  
And it is because you give without counting the cost

that the Earth will be healed.  
Love totally such an infinite source as this  
And We will help you.

4.

You know enough to act.  
Innovate, Love, Dare.  
It will not be said that We have abandoned you.  
Bear witness to as much Love as you can to all those you meet  
And already the World will be better.  
Afterwards unite among yourselves  
And chase away the shadows that are hiding the Sun.  
These last are the conservative forces that are still hanging onto the power.  
Overcome them with intelligence,  
Using as unique arms: Love, Justice, and Truth.  
You will win because We will be there.  
It is by Beauty and Love that you will win.  
The Beauty of your thoughts  
and the size of your heart.

5.

The epoch is exceptional.  
It heralds a new life for everyone.  
Everything that is beautiful will remain,  
Divine Principles will be restored,  
There will be no more war,  
Children will eat their fill,  
And We will be with you.  
Make the first move  
And We will come.

6.

The Divine Principles: Beauty, Good, and Truth  
Will be applied without reserve.  
The transformation of the Earth will be accomplished.  
You should begin by applying them in your own life  
To those around you,  
and in your every day actions.  
This is how you will change the world.

7

What I am telling you, you know already.  
But you have done nothing.  
Today you no longer have the excuse of not knowing.  
Courage, Heart, and strong Will.  
There is work waiting for you.  
Open your heart,  
And you will never be alone any more.  
The future of the world is in the hands of you all.  
I speak in the name of all Humanity  
Of whom the King is Christ, Our teacher.  
The change will come from you and be activated by you.  
We will be there to confirm it.  
Love is all encompassing  
Everything will happen out of Love.  
Begin the process now.

8. 8/2/2009

On behalf of all the Masters, of Christ, and of all the Hierarchy, I resume all the messages that We have transmitted to our intermediary, S.L. between 5th and 7th February 2009.

I am the Master in charge of Europe and the United States.

I give help from the Hierarchy to all groups or personalities, who might possibly help in installing the Divine Principles.

I bring My Help to the highest level. This help comes from God.

Christ is aware of world affairs.

He is at the Spiritual Direction, the Divine Direction of all Men, of all Religions.  
He loves all Men without exception, and all life on Earth.  
Turn to Him and pray that your prayers be answered.  
Do this for the Love of Humanity.  
Implore Him with Love, and at the same time, open your heart to all those around you.  
Invoke Him each day.  
Call Him with all your heart.  
Do not wait for a reply before acting.  
Work towards the construction of the New Humanity?  
For the New Age,  
For the future of the Earth,  
For the children of the Earth,  
And He will be beside you  
As also will We, His Beloved Disciples.  
Do this for Humanity  
Today.

### **Message 3 of Master St Germain, 11/3/2009**

This is the only message that I shall transmit before Easter.  
It is a revelation that I announce.  
There is not much time left  
Only some months.  
The messenger of Christ is here among you.  
She is in France and diffuses Our messages by Internet.  
Through her, Christ is trying to awaken your sense of responsibility.  
The book that Master Jesus has written using her as His spokesman is now available.  
You can read it on the Net†; copy it, diffuse it throughout the world.  
It is written for you now,  
So that you understand, act,  
And hurry to construct the Future  
For the coming Generations.

Don't wait for tomorrow  
The Earth and Humanity need you today.  
The third series of messages will arrive in April.  
Between now and then many catastrophies will happen.  
Turn to Us,  
We who are there to help you the moment you react.  
Christ the Guide for all Mankind and all Religions of the world,  
Waits to see that you are determined to better the world,  
Before coming.  
And We will be at His side as all the Letters explain.  
We will return  
But before this, you must make the first move.  
Begin by initiating the Divine Principles  
And We will help you.  
Be confident and take a stand today.  
The children of the Earth will be the first to thank you  
And to continue what you have begun.  
Do this for the future Generations  
For the Earth and all Humanity  
And Peace shall reign on Earth.  
Act together out of Love  
And your triumph will be certain in the very near future.  
Love, Peace, and Happiness on Earth.  
Read The Book and act.

## **Message 4 of Master St Germain 18.04.2009**

The hour is crucial.  
These are our last messages  
Before the irreversible happens.  
You still have time to change the course of events, to repair the damage, and to give  
Humanity a new orientation.  
And it is NOW in the months to come that vital decisions must be made.

Not « later » but NOW.  
We have sufficiently warned you,  
However few have read Our messages.  
No one has moved in response to Our call.  
When will there be solidarity among you?  
There is increasing urban discontent.  
It will be necessary to find the correct solution.  
Without Our help, how will you be able to construct on a solid and lasting basis for the  
Future?  
Believe in Us ! Affirm your will  
To install the Divine Principles on Earth  
And We will support you.  
We will augment everything that you undertake motivated by Love  
And We will make it impossible to return to the past.  
Begin and We will be beside you,  
Acting for the greater Good of all, of the Earth and of Humanity.  
Begin by healing the Earth,  
By resolving the financial problems, and taking more care of the education of children.  
It is much easier to live according to the Divine Principles.  
Just put them into practice.  
Let all your acts be a reflection of Beauty, Truth, and Love,  
And you will see the Earth, Humanity, and yourselves – transformed.  
From this moment on, start to change the world;  
The year 2009 is of capital importance.  
We have warned you of natural disasters, of earthquakes.... They're here.  
Why do you hesitate?  
Read the Book of Change that Our disciple has written for you.  
It is available free on the Internet.  
It will give you the energy to act.  
We are not specifying a date for the catastrophes.  
The media will do that for you.  
We refer to a precise time schedule concerning the future of Humanity and that of the  
Earth.  
The world cannot continue as it is. You know that.  
Open your eyes and ears.  
Reflect and act!!  
Act like those for whom distance poses no problem when defending a just cause.  
Stand up and prepare the Future for the coming Generations,

Engaging all your Love, Will Power and Intelligence.  
Our disciple SLt will soon be recognised.  
Listen to her message.  
She is the spokeswoman for all the Masters and for Christ.  
Know this and acknowledge her.  
Through Our messages,  
You will understand how to instigate the change.  
Get on with it! There is not a second to lose.  
It is Love that will break down all the barriers of the past --  
Will Power and Love of Good.  
The Future of Humanity is at stake.  
I will not repeat myself.
